

# ANGELO STATE UNIVERSITY

## Official Financial Statement

It is my understanding that the average cost of a college education for each academic year of nine months at Angelo State University is between \$18,000 minimum to \$19,000 United States dollars. This includes tuition and fees, room and board, personal expenses, and insurance.

This DOES NOT include the cost of transportation to and from the United States; nor does it include the expenses for the summer months. Students remaining at Angelo State University during the summer will need an additional \$6,000 to \$7,000 minimum added to their budget. Please take this into consideration when filling out the following paragraph:
