## Part II: Program Finisher Data

Program “finishers” are persons who, during the academic year, finished meeting all requirements of a certification program excluding the tests (may or may not have passed some or all the tests). The following data reflects program finishers during 2017-2018, whether or not the candidates complete the certification requirements by passing the exams and applying for a teaching certificate.

## Part IV: Admission and Active Data

SB 174 and the new Accountability System for Educator Preparation programs require that programs report the GPA (cumulative and content area) basic skills test results of candidates admitted to the initial teaching program (at the time of admission). Attached is the report compiled for our 2017-2018 admitted candidates. This data will be summarized for the TEA consumer website.

## Part V: State and National Reports

Educator preparation programs at public colleges and universities are required to report certification rates of teacher education graduates to the Legislative Budget Board (LBB). The certification rate required by the LBB is based upon the percentage of an institution's **undergraduate teacher education programs graduates who become certified to teach no later than the end of the fiscal year following the year of graduation from the programs.** This measure is used to provide an indicator of the effectiveness of an undergraduate teacher-education program's production of certified educators.

**Table 21: Legislative Budget Board (LBB) Performance Measure**

## **Part VIII: Glossary of Terms**

**Accreditation:** Official recognition that an entity or institution meets required standards. Angelo State University’s teacher preparation program is accredited by both the Texas State Board for Educator Certification (SBEC) and the National Council for Accreditation of Teacher Education (NCATE).

**ASEP:** Texas has a legislated Accountability System for Educator Preparation (ASEP) system that rates educator preparation programs as Accredited, Accredited-Not Rated, Accredited- Warned, Accredited-Probation, and Not Accredited-Revoked, revised in 2010 in response to SB 174 and HEA, under Texas Administrative Code 229. The ASEP ratings are based on how program completers in seven demographic groups (All Students, Female, Male, African American, Hispanic, Other and White), with small group exception (<10), perform on four standards. The four standards are (1) the Pass Rate on certification exams, (2) the results of appraisals of beginning teachers by school administrators, (3) the improvement in student achievement of students taught by beginning teachers for the first three years (expected in 2013), and (4) the results of data collected on the frequency, duration and quality of field supervision of beginning teachers during their first year in the classroom.

**Basic Skills:** “the ability to read, write, and speak in English, and to use mathematics at a level necessary to function at work and in society in general.” – *The Basic Skills Agency*

**Candidate:** A participant in an educator preparation program.

**Cohort:** A group of candidates with the expectation of beginning and completing their program on the same timeline.

**Critical Shortage Area:** Certification fields that are difficult to fill including Math, Science, Bilingual, Special Education, English as a Second Language, Foreign Language and Technology (as defined by TEA).

**EPP:** Educator Preparation Program

**Field-based Experience:** Experiences in which the primary activity of a candidate for certification is the performance of professional educator activities while interacting with pre-kindergarten – grade 12 students and teachers and university faculty/staff members in a school related setting. The professional activities include more than observation within a classroom. The interaction with students, teachers, and university personnel must be ongoing and relevant.

**Intern:** A candidate with a bachelor's degree, formally accepted into an educator preparation program that is employed in a supervised educational experience leading to standard certification.

**Pedagogy:** The art and science of teaching; especially the conscious use of particular instructional methods.

**Post Baccalaureate (Post Bac):** Individuals with a bachelor's degree who are taking additional hours for teacher certification but not enrolled in a degree seeking program.

**Probationary Certificate:** A type of credential, valid for one calendar year, issued to an individual who is enrolled in an educator preparation program, employed as an educator, and is serving in a supervised internship to satisfy the field experience requirement of the certificate. The holder of a Probationary Certificate must be employed by an accredited Texas public or private school in a position appropriate for the certificate sought.

**Professional:** A certification program that requires or leads to a master's degree; e.g., superintendent, principal, school counselor, educational diagnostician, or reading specialist.

**Standard Certificate:** The official educator license issued by the Texas State Board for Educator Certification (SBEC); must be renewed every five years to remain valid. The Standard Certificate replaced the lifetime Provisional and Professional Certificates in 1999.

**SCH:** University semester credit hour; 1 semester hour = 15 clock hours.

**TEKS:** Texas Essential Knowledge and Skills; the state curriculum in Texas.

**TE<sub>x</sub>ES:** Texas Examination of Educator Standards. TAC 230.5(b) requires every person seeking educator certification in Texas to perform satisfactory on comprehensive examinations. The purpose of these examinations is to ensure that each educator has the prerequisite content and professional knowledge necessary for an entry-level position in Texas public schools.

**THEA:** Texas Higher Education Assessment, used to assess basic skills in Math, Reading, and Writing.

**Undergraduate:** A student enrolled in a college or university seeking a baccalaureate degree.
